Defect Log

DEFECTS FOUND IN DEFECT VERSION

Defect #	Defect	Severity	Test Case or Description
1	Pressing "My Account" presents a login loop	1	2-2, 2-3, 3-1, 3-2
2	Choosing a random drink gives only Golden Gleam	2	11-1,11-2
3	"[Fill Action fill]" and others like that are displayed instead of the presumably proper format	3	12-1, 12-2, 12-3
4	Clicking "Try a Random Drink!" in "Favorites" brings you to a 404 page	1	Clicking on the "Try a Random Drink!" in "Favorites" redirects to 404 page
5	Adding ingredients using the "+" icon does not work	2	5-1
6	Pressing the Search icon with no text entered gives only "Searching..."	3	6-2
7	Can add item to favourites multiple time. The site doesn't seem to realize you've already added it	2	8-1, 8-2
8	On initial login page, you have to press "Sign In" twice to sign in	3	2-1, 2-2, 2-3, 2-4, 2-5, 2-6
9	Can't remove favourites	2	8-2

Defect #	Defect	Severity	Test Case or Description
10	Clicking "I need to make an account" then "I already have an account" (or vice versa) leads to double the text boxes showing than should	2	1-1, 2-1
11	Cannot use social media accounts to sign in	2	2-1, Webapp does not allow for the user to sign in with social media
12	Upon clicking on a drink from a search, the site logs out the current user	2	7-1 and 7-3 followed by clicking on a drink in the search results
13	Upon completing a new search after a previous one, some of the old interface elements containing images remain on the right side of the screen	2	6-1
14	Sometimes logging out presents an internal server error	1	Sometimes logging out instead displays a blank page with an "internal server error" message
15	Some drinks don't display their description	3	Descriptions of some drinks do not display, or drinks can have no description
16	Rating gives incorrect rating: i.e. "Rating: 82/50"	3	Rating of a drink can be invalid
17	Some keywords in the search bar (such as "coke") cause the page to say "searching..." for a moment then disappear and it does not say whether there are results or not	2	7-1, 7-2
18	"Is alcoholic" is always "No"	3	7-1, 7-2, 7-3, 7-4
19	Sometimes clicking on a drink takes you to the home page	2	8-1
20	Searching does not seem to work sometimes, taking a very long time and never displaying any results, just "Searching..."	2	6-1

Defect #	Defect	Severity	Test Case or Description
21	Searching for the first time works. When another search is made immediately after it does not work. Its just "searching"	2	6-1
22	Filtered Ingredient searches do not filter results	2	7-1
23	When filtering drink type, All Drinks does not include Non-Alcoholic beverages in search results	2	5-1
24	The user profile picture is missing	3	2-1
